

## Cookies policy

In accordance with the Spanish regulations governing the use of cookies in relation to the provision of electronic communications services, included in Royal Decree-Law 13/2012, of March 30, we inform you about the cookies used on the website of **Agronet, SL** (hereinafter, the "**Agronet**") and the reason for its use. In addition, **Agronet** informs you that by browsing the Website you are giving your consent to use them.

The cookies used on our Website are our own and those of third parties, and allow us to store and access information related to the language, the type of browser used, and other general characteristics predefined by the user, as well as, to follow and analyze the activity that carried out, in order to introduce improvements and provide our services in a more efficient and personalized way. **Agronet** does not use advertising or behavioral advertising cookies.

The use of cookies offers numerous advantages in the provision of information society services, since, among others: (i) it facilitates the user to navigate the Website and access the different services it offers; (ii) prevents the user from configuring the predefined general characteristics each time he accesses the Website; (iii) favors the improvement of the operation and services provided through the Website, after the corresponding analysis of the information obtained through the installed cookies.

However, you can configure your browser, accepting or rejecting all cookies, or select those whose installation supports and which not, following one of the following procedures, depending on the browser used:

### **Google Chrome** (in the Tools Menu)

Settings > Show advanced options > Privacy (Content Settings) > Cookies
